WORKING WITH CHILDREN

VOLUNTEERS AND VISITORS REQUIREMENTS AND DECLARATION

Thank you for offering to assist in our school. The statement below outlines our school's requirements of volunteers and visiting teachers (e.g. music). Please read the statement carefully, sign the 'acknowledgement' section and return this form to the school.

Lutheran School Wagga Wagga appreciates and values the contribution made by volunteers and visitors to our school. They add significantly to the activities of the school through their involvement and assistance with classroom activities, excursions and camps, special events, sporting teams, canteen, and services such as music and drama tuition.

Volunteers will be sought formally through newsletters, written invitations and personal approaches. The decision to involve volunteers in a school activity will be the responsibility of the staff member in charge of the activity in association with the Principal. Visiting teachers provide lessons to students at the invitation of the Principal.

All volunteers and visiting teachers are required to carry out tasks in a manner consistent with school expectations including maintenance of a safe, cooperative and professional environment. Confidentiality is to be maintained at all times.

Volunteers are required to work under the direction of the school staff member in charge of the activity and to follow all reasonable directions given by the staff member. In return, they can expect to be treated respectfully and not be required to carry out any tasks with which they feel uncomfortable. Volunteers can also expect to be provided with clear instructions and support to help them carry out their tasks.

Visiting teachers are required to work in consultation with the Principal and/or Deputy Principal.

Child Safety

Lutheran School Wagga Wagga is committed to the safety and well-being of all children and young people who use its services. Volunteers and visiting teachers, together with school staff, are required to ensure that their behaviour towards, and relationship with, students reflect proper professional standards of care for students and are not unlawful.

All volunteers and visiting teachers working with children in our school are required to **either have** a current Working With Children number (from the Office of the Children's Guardian) **or sign** a Working with Children Volunteer/Visitor Declaration. They are also required to complete the online Valuing Safe Communities module from Lutheran Education Australia.
