# Spring Fair

## AGRICULTURAL SHOW

The Lutheran School Agricultural Show is returning to the 2022 Spring Fair! The aim is to encourage every student to have some fun and showcase their gardening, cooking and Lego skills for all the community to see.

### How will it work?

As shown in the table below, there are six different categories of events. Children are to prepare their entries in their own time and deliver them to school during the week of the fete (exact times will be released closer to the fete).

Pending numbers of entries, we are aiming to divide each class into year levels with ribbons given for 1<sup>st</sup>, 2<sup>nd</sup> and 3<sup>rd</sup>. Judging will take place prior to the opening of the Festival and as mentioned all entries will be on display.

Please return the entry form to the school office by Friday 4 November.

### Rules

1. Students can submit only one entry for categories 4, 5, 6 and 7. If they have multiple varieties of flowers, veggies or herbs they can submit more than one entry.
2. Entry fee is a gold coin donation on drop off of entry.
