

## **WE LOVE LOCAL!**

The best beverages, sourced locally.

The Ducks is all about enjoying food & drink with your mates & loved ones. At the heart of Three Blue Ducks are the people; the roasters, brewers, winemakers & distillers. Our aim is to share what real food & beverage mean to us, by showcasing the best quality local suppliers. We source ethically made, independently produced beverages to complement your dining experience. What we have gathered here is some of our local favourites from the Snowy Valleys & its surrounds.

## ABOUT OUR WINE

---

Here at the Ducks we support the local Aussie wine industry. Aiming for low 'food miles' means we offer a lot of beautiful Australian wine & limited international wine.

We want wine to be approachable, but recognise that sometimes it isn't! So, we've designed our menu with tasting notes to help guide you, if you need it. But mainly we have really trained our team.

Ask their advice – they would love to share what they know.

We love wines made from grapes grown using organic or biodynamic practices. If it's good for the earth, it gets our backing! We've made sure to highlight on our menu the wines made from organically farmed grapes. This way, you can easily choose wines that match your personal values & show support for those who are dedicated to the principles you find important.

Natural wine? The wines on our menu that have this denoted next to them are made by the most dogmatic of producers. Expect the unexpected here, the wines can be cloudy, spritzy, lively & often they do not have the typical flavour profiles associated with modern day examples. There is a raw beauty in this style of wine, which is why we love them!
