

50115 Manipulation of one or more joints, excluding spine, other than  
 49590 Excision of ganglion, cyst or bursa of knee, by open or arthroscopic means,  
 30107 Excision of ganglion, other than a service associated with a  
 30223 LARGE HAEMATOMA, LARGE ABSCESS, CARBUNCLE, CELLULITIS or similar lesion,  
 47927 Removal of one or more buried wires, pins or screws (inserted for internal fixation purposes)-on  
 47929 Removal of fixation elements (including plate, rod or nail and associated wires, pins, screws or e  
 48245 Harvesting and insertion of bone graft (autograft) via separate incisions and at separate surgical  
 39330 Neurolysis by open operation without transposition, other than a service associated  
 30035 SKIN AND SUBCUTANEOUS TISSUE OR MUCOUS MEMBRANE, REPAIR OF WOUND OF, NOT MORE  
 30042 SKIN AND SUBCUTANEOUS TISSUE OR MUCOUS MEMBRANE, REPAIR OF WOUND OF MORE THAN  
 47791 tenosynovectomy

47519 FEMUR, treatment of trochanteric or subcapital fracture of, by internal fixation  
 49318 Total arthroplasty of hip, including minor bone grafting (if performed),  
 49303 Arthrotomy of hip, by open procedure, including any of the following  
 49315 Hip, arthroplasty of, unipolar or bipolar  
 49398 Revision arthroplasty of hip, including: (a) revision of femoral component for periprosthetic frac  
 49372 Revision arthroplasty of hip, with exchange of head or liner (or both)  
 49380 Revision arthroplasty of hip, with revision femoral and acetabular (if femoral osteotomy is not r

49518 Total replacement arthroplasty of knee, including either or both of the following (if performed)  
 49519 Bilateral total replacement arthroplasty of knee, including patellar resurfacing  
 49580 Partial meniscectomy of knee, by arthroscopic means, for traumatic meniscus tear  
 49542 Reconstruction of anterior or posterior cruciate ligament of knee, by open or arthroscopic mean  
 49527 Minor revision of total or partial replacement of knee, including either or both of the following  
 49564 Stabilisation of patellofemoral joint of knee, by combined open and arthroscopic means  
 49582 Meniscal repair of knee, by arthroscopic means  
 49578 Release of soft tissue, lateral release or osteoplasty of knee, by arthroscopic means  
 49500 Knee, arthrotomy of, involving one or more of capsular release, biopsy or lavage  
 49503 Arthrotomy of knee, including one of the following  
 49506 Arthrotomy of knee, including 2 or more of the following  
 49521 Complex primary arthroplasty of knee, with revision of components to femur or tibia  
 49533 Revision of total or partial replacement of knee, with exchange of femoral and tibial component  
 49551 Knee, revision of procedures to which item 49536 or 49542 applies  
 49565 Reconstruction of patellofemoral joint of knee, by combined open and arthroscopic means  
 49570 Diagnosis of knee, by arthroscopic means, when the pre-procedure diagnosis is undetermined  
 49572 Partial meniscectomy of knee, by arthroscopic means, for atraumatic meniscus tear  
 49576 Repair of chondral lesion of knee, by arthroscopic means, including either or both of the followi  
 49586 Synovectomy of knee, by arthroscopic means, for neoplasia or inflammatory arthropathy

49771 Synovectomy of major tendon of ankle, for extensive synovitis by any method  
 49727 Lengthening of major tendon of ankle, including either or both of the following  
 49728 Lengthening of Achilles' tendon, by any method, with gastro-soleus lengthening  
 49760 Arthroereisis of subtalar joint, including any of the following  
 49724 Reconstruction of major tendon of ankle, by any method, including any of the following  
 49814 Reconstruction of major tendon of ankle, by any method, including: osteotomy of hindfoot ; adj  
 49709 Stabilisation of ligament of ankle or subtalar joint (or both), including any of the following (Anae  
 49718 Primary repair of major tendon of ankle, by any method, including either or both of the followin  
 49712 Arthrodesis of ankle, by open or arthroscopic means, with internal or external fixation by any m  
 47603 Treatment of fracture of ankle joint: (a) by internal fixation of 2 or more of the malleolus, fibula,  
 49703 Surgery of ankle joint, by arthroscopic means, including any of the following

49854 Radical plantar fasciotomy or fasciectomy and excision of fascia, including excision of calcaneal s  
 49761 Stabilisation of metatarsophalangeal joint at metatarsal, including any of the following  
 46528 Wedge resection for ingrowing nail of finger or thumb: (a) including each of the following  
 48400 Osteotomy of phalanx or metatarsal of foot, for correction of deformity one bone  
 48403 Osteotomy of phalanx or metatarsal of first toe of foot, for correction of deformity one bone  
 49845 Unilateral arthrodesis of first metatarsophalangeal joint  
 47624 Treatment of fracture of tarso-metatarsal, by open reduction, with or without dislocation soft ti:  
 49773 Revision of excision of intermetatarsal or digital neuroma, including any of the following  
 49815 Triple arthrodesis of hindfoot joints, with internal or external fixation by any method  
 44358 Amputation of one ray of one foot, proximal to the metatarsal head, including any of the followi  
 49763 Stabilisation of metatarsophalangeal joint at metatarsals, including any of the following 3 metat:  
 49766 Stabilisation of metatarsophalangeal joint at metatarsals, including any of the following 6 metat:  
 49769 Unilateral correction of hallux valgus or varus osteotomy of first metatarsal and proximal phalar  
 47915 Wedge resection for ingrowing nail of toe: (a) including each of the following  
 47918 Complete ablation of nail germinal matrix: (a) including each of the following  
 48409 Osteotomy of fibula, radius, ulna, tarsus or carpus, for correction of deformity, with internal fixa  
 50118 Arthrodesis of joint of hindfoot, by any method, with internal or external fixation by any methoc  
 50333 Excision of tarsal coalition, with interposition of muscle, fat graft or similar graft  
 49779 Arthrodesis of joints of midfoot, by open or arthroscopic means, with internal or external fixatio  
 49789 Bilateral arthrodesis of first metatarsophalangeal joint, by open or arthroscopic means  
 49792 Arthrodesis, osteotomy or interpositional arthroplasty of proximal or distal joint (or both) of less  
 49795 Arthrodesis, osteotomy of proximal or distal joint (or both) of lesser toe, including any of the fol  
 49812 Advancement of tendon or ligament transfer of foot side to side transfer, harvesting and transfe  
 49866 Excision of intermetatarsal or digital neuroma, including any of the following release of metatar:  
 49884 Complete excision of one or more ganglia or bursae  
 49814 Hagulunds and tib post - (arthroeresis 49760)
